

Dear Parent or Guardian,

I am pleased to be a part of the after school program at St. Raphael School. This letter is to inform you of myself and what I will be adding to the program.

My name is Michael Donovan. I went to West Liberty State College where I earned my Bachelor's degree and my certification in Music Education. I taught general music grades K-5 for two years in the small town of Hendersonville, NC. After those two years I realized that I missed being close to family so I moved back to my hometown, Pittsburgh, PA. I started my master's degree at Duquesne University but since then I have been hired to teach band at three other Catholic schools and I have been hired as the general music teacher at Bishop Leonard St. Mary of the Mount Academy. My main instrument was and still is the trumpet, as well as the guitar.

I will be implementing a Music Enrichment day for the after school program. Once a week, students will be able to experience different instruments and musical activities. Students who play instruments of their own will have time to be able to show off their skills to the other children.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Donovan', with a long horizontal flourish extending to the right.
